

Code week - Noi... CodiAMO insieme!

<http://events.codeweek.eu/view/153150/codiamo-insieme/>

The screenshot shows a web browser window with the URL events.codeweek.eu. The page features the CodeWeek logo and navigation links: HOME, EVENTS, AMBASSADORS, and RESOURCE. Below the navigation is a teal header with 'CodeWeek EU', a 'Map' button, an 'Add Event' button, a 'Search Events' search bar, and a user profile 'Hi, barba'. The main content is a map of Italy with several red location pins. A pop-up window is open over the map, titled 'CodiAMO insieme!'. The pop-up contains the following text: 'Scuola Primaria di Mondavio: pixel art, codifica e decodifica di messaggi segreti e attività su code.org (ora del codice) Scuola Secondaria di San Giorgio... MORE...'. The map shows various Italian cities and roads, with a scale bar at the bottom right indicating 2 km.
